**Next Tournament is on July 15. Carmel Mountain Ranch is closing its doors for good and so we are looking to book another tournament. We will be announcing the new venue later this week as our president and tournament chairman secure another course. A separate email will go out to everyone and it will be posted on the web site once confirmed.**

**Membership Chairman Report:** We have 52 members and 3 honorary and 0 junior golfers.

**Handicap Chairman:** One member needs to establish a handicap in our club. Scoot Malloy needs to turn in at least (1) more score to have 5 rounds completed.

**SCGA Chairman Report:** N/A

**Sargent of Arm Report:** N/A

**Web Chairman:** N/A

**Social Chairman:** Jack and Jill tournament is set for August 18, 2018 @ Lawrence Welk Resort. Cost \$100.00 per team. Format is Both players decide who wants to hit of each from each tee box and then plays alternate shot from there till the ball is holed out. Prizes will be awarded at the tournament. Lunch to follow.

**Rules Chairman/Committee:** Question was asked how and when a player can identify a player's ball. USGA rules allow a player to check his or her ball by first marking the ball with a tee or other acceptable marker. The player then must lift the ball. With two (2) fingers without cleaning the ball check to see if it is their ball. If it is the player must replace the ball in its original condition without improving the lie. Second question is if another player can identify a ball other than his own ball. Yes, but the same steps must be taken and replacing the ball to its original condition after identifying the ball.

**Old Business:** It was brought up that a non-member of the Vista chapter may not collect, hold and/or distribute any monies of the membership or the club treasury. Only the Tournament chairman, and/or his designated assistant may collect at the tournament check-in table or the Treasurer of the club.

MAGA picnic day is set for October 6<sup>th</sup>, 2018 @ Holiday Park. More info to come....

**New Business:** At this tournament we played 5 holes with some modified tees. Two holes on the Mission course and 3 holes on the Presidion course, all players played from the blue tees. This allowed some of the holes to play and add overall yardage as the course yardage from the white tees would have played under 6100 yards. By playing 5 holes from the blue tees, the total yardage was played @ 6300 yards. New rules sheet was printed out and given out with every score card to help clarify and local rules and what tees to play from the blue tees and also what groups were to pick up the Closest to the Pins. We ended up with all four (4) C.P.'s being turned in. This will be something that the tournament chairman will add to our tournaments to help players on the course.
