**Rules Chairman/Committee:** The new rules changes are in effect and it seemed to help the pace of play move along in this tournament.

**Old Business:** The toys that were collected at the Christmas party served a valuable resource for a local head start school in our community. Toys for Tots were not able to donate enough toys to the school so at least every child had at least one toy. With the donation from Vista MAGA, we were able to provide enough toys for two (2) class rooms of children that would have had nothing. From the bottom of my heart, thank you to all who donated. Your generosity did make a difference!

**New Business:** The Association Championship will be played at Tahquitz Creek Resort again this year. The management is giving us a great rate and a golf hat & shirt for each player. No other golf course could touch the price, food, drinks for the price..

The association has agreed to the same room rates @ The embassy Suites in Palm desert. All members can now make reservations at the hotel. Pull up the web site for the Embassy Suites Palm Desert and in the search bar type in SCMAGA. The hotel has again created our own booking web page listing the rooms and prices. The hotel is also waiving the daily resort fee for our group. Parking is free. Included with your reservation is the daily "FREE" happy hour at the hotel. Daily made to order and breakfast buffet is included as well.
