The format for this tournament will be select-shot throughout, tee-shot, fairway shot, and putts. Each team member must have at least 3 tee shots per 9 holes. You may select your own partner or one may be available. The Low last 6 months index will be used (10 stroke differential) and of the combined partners' handicap, one quarter (1/4) will be used for team handicap. In the event of ties the USGA method for card-off will be used.

Overall Gross and Net teams will have their 2023 entry fee paid. The pairings will be done by Team Hcp. and foursomes with two different chapters.

The entry fee includes green fees, cart and range balls. This is a popular tournament; 2021 we had a turn-out of 100 players. Please coordinate with your Chapter Tournament Chairman to sign up and payment for the entry fee. Dress code will be strictly enforced. No tank tops, bare feet or any clothing with obscene words or pictures. Collared shirts are required, as are soft spikes. **Also COVID-19 protocols will be enforced for your own safety.**

Please make a strong effort to participate in this event and support our organization in the first association tournament for this year. The entry deadline will be **March 3, 2022**. Please contact your Tournament Chairman and make arrangement for your payment.

Thank you,
