The proposed index breakdown for each flight will be as follows: **A= 0-9.0; B= 10-15; C= 16-21; D= 22** and up, these are to be used as a guideline. Actual breakdowns will depend on actual number of entries. "A" Flight Players will play from the Men's **Blue Tees** All other Flights: Men White Tees both days, Women Red Tees Both Courses. Only players in the **A** flight may win the overall Club Championship. If your index is higher than 9.0 and would like to play in the **A** flight, your index will be adjusted to 9.0. All flights will be eligible to win the Net Club Championship.

The senior division (55 years and older) will also be available. However, if a senior wins in both the regular flight and in the senior division, only the higher of the two prizes will be awarded. **Seniors, please enter your age on the entry form.**

In the event of a tie for the association gross or net championship or for any of the gross and net flights, a play-off will take place at that course immediately after the second round of play. If a player that is tied leaves the course, he will forfeit his Flight Championship. Should all tied players leave the course a match card(s) will determine the winner. **Reminder, it is the responsibility of the player to attest and sign his scorecard and ensure that it is turned in to the tournament committee with in 15 minutes of your round.**
